ANNOUNCEMENT

Sonaecom SGPS, S.A. ("Sonaecom") announces that WeDo Consulting – Sistemas de Informação, S.A., ("WeDo"), a fully owned subsidiary of Sonaecom with business in the IT/IS sector, has today signed an agreement for the acquisition of the total share capital of Cape Technologies Limited ("Cape"), a company incorporated in the Republic of Ireland, with 120 employees, that operates internationally in information systems for the telecommunications industry. The consideration for this acquisition will be 17 million euros plus an additional amount of up to 3 million euros, subject to the accomplishment of certain pre-agreed targets.

With this acquisition, WeDo will become the world leader in the Revenue Assurance software integration market, with 370 employees spread across 11 offices worldwide and with a customer base of 45 clients present in 35 countries.
