Pursuant to the request of CMVM in relation to today's news, according to which Sonaecom is analysing a friendly merger with PT Multimédia, SGPS, S.A., we hereby inform that:

Sonaecom has already made public that it is interested in all consolidation opportunities in the telecoms sector, one of which has been mentioned in the media articles released today. This scenario is naturally, and in abstract, just one of such opportunities.

In this context, Sonaecom has established several contacts, but none of these may or should be deemed as a negotiation of a concrete proposal, which in fact does not exist.
